THE NEW ENLISTED TRAINING CORPS FOR COLLEGE STUDENTS.

(From the Patriotic News Service)

For nearly a year there has been much public discussion of the proper function of colleges and of the duty of college students in the present emergency. Last July President Wilson said:

"It would seriously impair America's prospects of success in this war if the supply of highly-trained men were unnecessarily diminished. There will be need for a larger number of persons expert in the various fields of applied science than ever before. * * * I therefore have no hesitation in urging colleges and technical schools to endeavor to maintain their courses as far as possible on the usual basis * * * Those who fall below the age of selective conscription and who do not enlist may feel that by pursuing their courses with earnestness and diligence they also are preparing themselves for valuable service to the Nation."

The vital contribution of the colleges is now formally recognized in an announcement just issued by the Secretary of War. As a military measure the colleges of the country are by this announcement officially designated as training centers for the United States Army. The announcement follows:

"In order to provide military instruction for the college students of the country during the present emergency, a comprehensive plan will be put in effect by the War Department, beginning with the next college year, in September, 1918. The details remain to be worked out, but in general the plan will be as follows:

Military instruction under officers and non-commissioned officers of the Army will be provided in every institution of college grade, which enrolls for the instruction 100 or more able-bodied students over the age of eighteen. The necessary military equipment will, so far as possible, be provided by the Government. There will be created a military training unit in each institution. Enlistment will be purely voluntary, but all students over the age of eighteen will be encouraged to enlist. The enlistment will constitute the student a member of the Army of the United States, liable to active duty at the call of the President. It will, however, be the policy of the Government not to call the members of the training units to active duty until they have reached the age of twenty-one, unless urgent military necessity compels an earlier call. TRINITY FAILS TO SCORE—
BOYCE ELECTED SECRETARY
OF N. E. I. A. A.

Buckley Runs Pluckily.

The Massachusetts Institute of Technology found little difficulty in running away with the championship of the New England Inter-Collegiate Athletic Association last Saturday at Cambridge, in the annual track and field meet, with a score of 74. The nearest competitor was Brown, with a total of 25 points to her credit, and the other colleges entered took the remaining points in small divisions. Trinity failed to score with the three men who entered.

Buckley was spiked and had his shoe torn from his foot at the very start of the mile run, but he continued in the race despite this handicap and placed well in the middle of the competitors. He was unable to enter the two-mile run.

Nordstrom lost control of his hammer throwing again and failed to qualify for the finals. He was outclassed in the shot and discus.

Goldstein ran well in the 100-yard and 220-yard dashes. In the latter event he ran third in his heat and was just nosed out from qualifying in the finals by his nearest competitor.

At the meeting of the association preceding the meet C. H. Drew of M. I. T. was elected president of the association for the ensuing year. R. P. Smith of Williams, vice-president; T. S. Black of Brown, treasurer; and George A. Boyce of Trinity, secretary.

Boyce present assistant manager of track will presumably be elected manager of track for next year. If he should be in service in the naval reserve, in which he is enlisted, at that time, his successor will assume his new duties as secretary. H. T. Barber, the present manager, who has served on the executive committee of the association for the past year, acted as custodian of the prizes in the meet Saturday.

ENLISTMENT.

Frederick R. Hoisington, Jr., '20, who enlisted last spring in the Naval Reserve and who has been attending college on an extended furlough, has been recalled and ordered to report without delay to Pelham Bay Naval Station.

NEW ENGLAND MILITARY CAMP.

Seven Colleges to be Represented.

A military camp will be held from June 20 to August 16 at Williams College, Williamstown, Mass. The R. O. T. C. units of seven New England colleges will be represented, including Amherst, Clark, Dartmouth, Trinity, Tufts, Wesleyan and Williams. The camp will be under the supervision of Major General William A. Pew, a retired officer of the Massachusetts National Guard, who conducted the Williams R. O. T. C. unit last year. He will have an efficient staff, including some West Point cadets. The buildings of Williams College will be turned into temporary barracks for the men. An advisory board has been made, consisting of a faculty representative of each of the attending colleges, and is composed of Professors C. W. Eastman, Amherst; R. H. Churchman, Clark; E. J. Bartlett, Dartmouth; H. C. Swan, Trinity; G. S. Miller, Tufts; R. Fife, Jr., Wesleyan; and W. E. Hoyt, Williams.

AMERICAN UNIVERSITY UNION IN EUROPE.

The American University Union in Europe asks the attention of all American college men, especially those in active war service, to the plans for the development of its London Branch. The general object of the Union is "to meet the needs of American university and college men and their friends, who are in Europe for military or other service in the cause of the Allies." Its central headquarters are the Royal Palace Hotel, 8 Rue de Richelieu, Paris, of which it has the exclusive use, and at which upwards of 5,000 American college men have already registered. The Union offers its privileges freely to men of all colleges in the United States, whether graduates or not.

The London Branch of the Union was opened at 16 Pall Mall East, London, S. W. 1. About 200 American college men have already registered there. Hotel arrangements have been secured, at reduced rates, for all American college men at the St. James Palace Hotel, Bury St. Inquiries should be addressed to the Director of the London Branch of the American University Union, 16 Pall Mall East, London, S. W. 1.

TRINITY MEN GOING TO PLATTSBURGH

CAMP OPENS JUNE 3.

Twenty-two members of the college battalion have signed up to go to the training camp to be held at Plattsburgh next month. There will be representatives from all the college R. O. T. C. units in the country. The camp will open on June 3 and will close on July 3. The government will at its option provide transportation or railroad fare at the rate of 3½ cents a mile from college or home to the camp, and also return passage home after the camp within the boundaries of the United States. The only expense will be for uniforms, but the college is going to provide the uniforms to the men who go on the deposition of about \$5.00 at the treasurer's office. There is no obligation attached to those who attend, but the training received will be of great value to the men when they get into the service later. The following men are going from here:

Seniors:

W. G. Smyth, M. B. Robertson, G. Griffith.

Juniors:

I. E. Partridge, Jr., E. C. Schortmann, H. E. P. Pressey, A. Goldstein, H. W. Valentine.

Sophomores:

G. G. Ramsay, B. Berkman, H. Pierce, H. H. Walker, B. Levin, S. S. Jackson, G. Saunders, R. Bruce, J. Hartzmark.

Freshmen:

H. Slattery, W. C. Hicks, Jr., N. Butler, A. Noel, H. Clark.

It is suggested by the War Department that those students selected to attend the training camp provide themselves with the following publications: Infantry Drill Regulations, Field Service Regulations, Small Arms Firing Manual, Manual of Interior Guard Duty, and any other publication that may be prescribed by the camp commander.

COLLEGE LAND FOR GARDENS.

The large tract of land to the east of the gymnasium and bounded by the athletic field and on the north by Vernon Street has been ploughed up and divisions made by the Home Gardens Commissions for the purpose of cultivating "war gardens."

"NOW THEN TRINITY"

In charge of this issue,
Herbert E. P. Pressey, '19.

The "Tripod" takes this opportunity to extend the hearty congratulations of the student body to A. E. Haase, '19, on the announcement of his engagement to Miss Sara Frances Miel and to wish them both a very happy career.

Owing to the fact that a large number of the undergraduates are going to leave the already diminished numbers of the student body for Plattsburgh and other military camps, it is earnestly hoped that all the undergraduates who possibly can, will stay and take part in the Commencement exercises this year. There will be several prominent men who will be speakers at the various gatherings and among them is Colonel Theodore Roosevelt. A large number of alumni will be back to take part in the festivities, and it is not only the proper thing, but it is the duty of every undergraduate, who is not in service, to remain for Commencement and welcome all the "Old Boys" and to do all in their power to make this Commencement a success.

LETTERS FROM TRINITY MEN IN SERVICE.

The following are portions of letters received by the Alumni Secretary, Mr. C. A. Johnson, from Trinity men in the service:

Carroll B. Case, '17, 102nd Infantry,
A. E. F.

I was pleased to receive your greetings of March 4. It came while I was in the line, so was all the more welcomed to hear from those who are thinking and working for us at home. As I am handicapped by conditions, I hope you will pardon my poor letter, but I hope that by the time this reaches you I will be in a position to write more.

D. B. Dawley, ex-'13, A. E. F.

Your letter of March 4, arrived a few days ago and I was very pleased and gratified with the sentiment and Trinity spirit expressed therein.

Since coming over I have written to several of my classmates, but have received no reply, so was particularly glad to receive the Honor Roll and several issues of the "Tripod", which arrived at the same time.

In my outfit there are a large number of college men, particularly Brown men, and as I am the only Trinity representative. I was very proud to show them the Honor Roll and let them read your letter that they may see how Trinity stands behind her sons.

Everyone over here appreciates the things you folks at home are doing for us and the great sacrifices you are making in order that we may be comfortable. We all realize that there is a long road ahead, and knowing that you are all behind us is a big factor in helping us "carry on."

Smart Brand, '15, U. S. S. of M. A.,
Princeton University.

Have been here a week and a half. Long hours, hard drill, fairly stiff courses, good eats and not much time to ourselves. Great place though and pretty good sport. Am enjoying the life very much. Barracks are college dormitories and mess in one of the university dining halls.

A. B. Churchill, '16, Camp Jackson,
South Carolina.

Sent to this camp which is to be a huge Field Replacement Depot to train men who are to fill in the gaps of fighting regiments. Will probably get a baby blue service badge to wear for distinguished service in South Carolina.

Norton Ives, '16, 52nd Artillery,
A. E. F.

Just a few lines to tell you how good it is to know that you are serving the alumni of Trinity so well. I would like much to fill out the pledge card for an amount to support our Alumni Council financially, but as a buck private my funds are always low. But I'll do it as soon as I am able. I thank you for the good informing letter. I am proud of Trinity these days as never before. Her honor list is remarkable, considering her size.

M. A. Berman, '14, 496 Aero Squadron.

The letter enclosing Honor Roll of Trinity is the best piece of mail I

have received in a long while. It shows the old Trinity spirit.

Captain Chas. T. Senay, '14.

"By the time you receive this you will have heard big news of us. My men know only one direction and that is forward. With the courage of conviction in our hearts, nothing can stop us. Best success in your labors for the welfare of Trinity. The best souvenir that could be sent me is news of the college and the "Tripod" brings me that."

WESLEYAN MEET SATURDAY.

Next Saturday there will be a dual track meet with Wesleyan at Trinity Field commencing at 2.30 p. m. It is expected that Buckley who was injured in the Inter-collegiate meet last Saturday will be back in shape for the long distant events.

THE NEW ENLISTED TRAINING CORPS FOR COLLEGE STUDENTS.

(Continued from page 1)

eighteen, and therefore not legally eligible for enlistment, will be encouraged to enroll in the training units. Provisions will be made for coordinating the Reserve Officers' Training Corps system, which exists in about one-third of the collegiate institutions with this broader plan.

This new policy aims to accomplish a two-fold object: first to develop as a great military asset the large body of young men in the colleges; and second, to prevent unnecessary and wasteful depletion of the colleges through indiscriminate volunteering, by offering to the students a definite and immediate military status.

Later announcement will be made of the details of the new system. In the meantime, presidents of collegiate institutions are requested to call this matter to the attention of all their students. Those who do not graduate this spring should be urged to continue their education and take advantage of this new opportunity to serve the Nation."

Law Students. The Boston University Law School.

gives the student such training in the principles of the law and such equipment in the technique of the profession as will best prepare him for active practice wherever the English system of law prevails. Course for LL.B. requires three school years. Those who have received this degree from this school or any other approved school of law may receive LL. M. on the completion of one year's resident attendance under the direction of Dr. Melville M. Bigelow. Special scholarships (\$50 per year) are awarded to college graduates.

1892 NOTICE.

The class of 1892 was obliged to postpone from last Alumni Day to this, its reunion to celebrate its twenty-fifth year after graduation, because war conditions made it impossible for the members to attend. This year for the same reasons it has been decided that 1892 must again postpone its reunion. As secretary of the class of 1892, the Alumni Secretary regrets exceedingly the inability of his classmates to be here in force to hold a reunion, but the president, Mr. Hannon S. Graves, and the Secretary, Mr. Chas. A. Johnson, do urge all '92 men who can possibly be at Hartford June 15th, and on the 16th and 17th too, to come on or join in the reunion of the class of 1823, especially that will be held at seven p. m., at the Hartford Club, Saturday, June 15. The cost will be on war-time basis and not unduly tax anyone, and for the sake of country, Trinity and '92. All members of that class are strongly appealed to make a special effort to be here.
